

Every year, a handful of people experience mild discomfort from reusing toilet nests that were left behind by the previous pooper. Yes, the moderate skin irritation that results usually goes away on its own within a matter of days, but wouldn't you like to live in a world where that minor inconvenience is nonexistent?

That's where THRONE comes in. The Headquarters Resentful Of Nesting Excess is dedicated to "flushing out" the growing trend of toilet nest sharing and subsequent discomfort that can, but admittedly only rarely, result.
